

WILL BE A SURGEON

Kid McCoy Says Pugilism is no Old Man's Job.

INSTEAD OF INFLECTING

He Will in the Future Be Found Healing Wounds.

Buffalo, N. Y., April 26.—"Kid" McCoy is going to live in Buffalo and is going to study to become a doctor. When seen in regard to the matter McCoy said: "Yes, I mean it. I mean to become a surgeon and I propose to enter the University of Buffalo. It may be necessary for me to take a year's preliminary study before entering the university but I am prepared to do all that is necessary to go in for a four year's course. I can't box forever, and I want to have something legitimate to settle down to before I get to be an old man."

"Would you fight white in the university?"

"I might have a fight or two a year if it came on," said McCoy, "but fighting and boxing would be banished by me during my study hours. I am sincere and I want to be so considered."
